Bill to Amend EGC Society Guidelines

Whereas, the Engineering Governing Council (EGC) Society Guidelines have needed further revision since Nov. 2017; and

Whereas, the societies are allocated funds through EGC and must meet specific requirements to be eligible societies; and

Whereas, the Society Guidelines outline the definition, eligibility, and rules of a society to be a part of EGC; and

Whereas, the current standing guidelines document was repetitious and unclear in some sections; therefore

Be it hereby enacted, that the Engineering Governing Council (EGC) instates the document “EGC Society Guidelines 2019” as the Society Guidelines set forth by Article VI, Section 3 of the EGC Standing Rules.
