**Bill to Recognize the Special Interest Group for High Performance Computing -
Rutgers University Chapter**

Whereas, the Engineering Governing Council (EGC) is the governing body responsible for overseeing, recognizing, and supporting the societies within the School of Engineering; and

Whereas, the Special Interest Group for High Performance Computing - Rutgers University Chapter (SIGHPC) meets the requirements to become an EGC society; and

Whereas, SIGHPC allows all Rutgers students to partake in events and activities that will develop students for careers/research related to high-performance computing, cluster computing, and computer engineering; and

Whereas, SIGHPC raises visibility for high-performance computing including its own developments; therefore

Be it hereby enacted, that the Engineering Governing Council (EGC) recognizes SIGHPC as an official EGC society.
