Bill to Recognize the Society of Manufacturing Engineers

Whereas, the Engineering Governing Council (EGC) is the governing body responsible for overseeing, recognizing, and supporting the societies within the School of Engineering; and

Whereas, the Society of Manufacturing Engineers (SME) meets the requirements to become an EGC society; and

Whereas, SME provides students with an opportunity to learn about every major discipline within manufacturing engineering; and

Whereas, SME allows all Rutgers students to partake in events and activities that will develop students for careers related to the technological and engineering aspects of manufacturing; therefore

Be it hereby enacted, that the Engineering Governing Council (EGC) recognizes SME as an official EGC society.
